### Chrissie Birchall

EXHIBITION 3rd - 16th June 2007

In her solo second exhibition with us Chrissie presents another interesting collection of paintings of still life, fruit and flowers painted in her own highly individual style in a variety of media. Her use of simple black backgrounds has become something of a trademark and gives a contemporary twist to otherwise traditional subjects.

Wisteria on Black oil 24" x 13"

Basket of Cherries oil 10" x 15"

Campanula by the Sea oil 12" x 16"

Vase of Blossom oil 20" x 12"
